

## Get your security sorted in just 3 easy steps:

Call 09 579 1567 to arrange a free appraisal from our experienced security consultants.

**Security Appraisal:** we will assist in identifying potential issues and recommending the best solutions tailored to your security requirements and budget.

**Proposal and Quote:** based on the recommendations, we'll offer you options to choose from and discuss the benefits of each.

**Alarm system installation or servicing:** we source from the world's best security technology and keep your alarm serviced to perform at its best.

## Fast when it really matters

### Protection for your most precious assets

Real peace of mind comes from knowing your home is protected by a comprehensive, integrated security solution and people you can trust.

Whether you choose 24/7 alarm monitoring, or our Green Reflector Service you can be rest assured our professional security officers are just minutes away when needed.

## Let our security presence be noticed

**Alarm Monitoring** – Fast, reliable and personal service. IP monitoring allows your alarm to report events directly over the internet, and GPRS monitoring provides event reporting via cellular link.

**24/7 Assistance and Response** – Seamless event handling as per your instructions from our own New Zealand-based, professionally accredited call centre.

## Green Reflector Service\*

A Green Reflector placed at the entrance to your home identifies it as a priority for our security patrols.

### Peace of mind comes from knowing you have:

-  Added protection against burglary, and fire or panic response.
-  Alarm monitoring 24/7 and unlimited alarm response call-outs.
-  Daily drive-by patrols and visual checking of your home and surrounding areas.
-  Personalised response plan with the option for alerts via smartphone or web-enabled device.

*\*This is an exclusive service available only in selected areas of Auckland.*

If you travel a lot, or spend time living between more than one property, our Holiday Hot List service will

provide you with the reassurance your assets are being cared for when you're away.

**Holiday Hot List service is only available in selected suburbs and includes:**

-  Foot patrols of the exterior of the property (minimum 2 patrols per day)
-  Security check of all exterior windows & doors.
-  Mail collection and storage.
-  Newspaper and junk mail removal.
-  Extra home management services by request.

... the most responsive home security service in the industry!
